As a resident of Climping, I am writing to express my strong support for the proposed opening of a Marks & Spencer store in Littlehampton. I believe this development would be a highly beneficial addition to our local community for the following reasons:

- **Improved Accessibility:** Current local grocery options are limited. While there is a Waitrose in Rustington, its small size and the distance from Climping make it inconvenient for daily shopping needs.
- **Traffic Concerns:** While the existing M&S in Bognor is an option, the traffic to reach that location is frequently severe, making regular trips inefficient and frustrating.
- **Community Benefit:** A high-quality supermarket in Littlehampton would significantly improve access to essential goods and provide a more convenient, local shopping solution for residents in this area.

I strongly support this proposal and hope the Council views this development as a positive step forward for our community.

Thank you for your time and for considering these comments.

Kind regards,
Sergiu B. Dugobrad
