Description of works: Erection of 1 No. single storey, self-build dwelling with car parking to include provision of driveway and car parking for No.16 Swanbourne Road. This application is in CIL Zone 4 and is CIL Liable as a new dwelling.

Thank you for your internet representation made on 11th June 2025 which has been recorded as an objection with the comments as follows:

OWPC77104

There has already been extensive building and renovation works to properties in this road, and none of them have sold, this is adding another property to the list. The noise and disruption caused to neighbours is excessive and the road is now dangerous whilst being used as a rat run from the new road. The new building is not in keeping with existing properties and will be impacting on views from various residents in this road and the neighbouring road.

Your views as made above will be considered before the application is determined.
