EH Comments:

I have reviewed the above application and I would recommend the following condition should consent be granted.

Conditions Recommended:

EHN23 : Building services plant (BS4142:2014+A1:2019)

EH - see notes

No internally or externally located plant, machinery equipment or building services plant shall be operated on the site until an assessment of the acoustic impact arising from the operation of all such equipment has been submitted to and approved in writing by the Local Planning Authority. The assessment shall be undertaken in accordance with BS 4142:2014+A1:2019 and shall include a scheme of attenuation measures to mitigate the adverse impacts identified in the acoustic assessment. The scheme shall ensure that the rating level of noise emitted from the proposed building services plant is 5 dB less than the prevailing background sound level (LA90). The scheme as approved by the Local Planning Authority shall be fully installed prior to first operation of the plant and shall be retained as such thereafter. Any agreed attenuation measures shall be permanently maintained in good working condition.

The applicant should review the Planning Noise Advice Document – Sussex,

November 2023:

<https://www.arun.gov.uk/download.cfm?doc=docm93jjm4n19846.pdf&ver=24686>.

Reason:

To protect the amenity of local residents in accordance with the Arun Local Plan policy QE DM1.

INFORMEH14 : Statutory nuisance

The granting of this planning permission does not in any way indemnify against statutory nuisance action being taken should substantiated complaints within the remit of the Environmental Protection Act 1990 be received. There shall be no burning of waste or other materials on the site, except in an incinerator. For further information, please contact the Environmental Health Team:
