OWPC83713

Over the duration of the past 10 years my business has initially rented containers at this location and has now expanded in to larger premises on the adjoining site. The flexibility and lower entry cost allowed our Buissness to expand providing jobs for multiple local people and supporting the community with our service offerings. This application should be approved, encouraged and supported and in turn will pay dividends to the local community.

Your views as made above will be considered before the application is determined.
