Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/96/26/PL
Site Address: Flint Acre Toddington Lane Littlehampton BN17 7PN
Description of works: Retention of change of use from agricultural land to containerised storage facility (B8). This application may affect the setting of a listed building and is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 29th May 2026 which has been recorded as support with the comments as follows:

OWPC83746

I am writing to respectfully request that the current container on my site in Littlehampton be allowed to remain. This container serves as the essential storage facility for all of my tools and equipment, which I rely upon daily to carry out my work across Littlehampton and the surrounding areas.

As a local tradesman operating in this region, the container is not merely a convenient storage unit - it is the backbone of my business. It allows me to respond quickly and efficiently to jobs in the local community without the need for constant transportation of heavy tools and materials from further afield. Losing this container would leave me with no viable local base, forcing me to relocate my entire operation elsewhere. Such a move would have a devastating impact on my livelihood, significantly increasing my operating costs, reducing my ability to serve local clients, and likely crippling my business.

I have operated successfully in this area for some time, contributing to the local economy and supporting residents and businesses through my work. I kindly ask the planning committee to consider the genuine hardship that closure of this container would cause and allow it to remain so that I can continue operating my business from Littlehampton.

Thank you for your understanding and consideration.

Your views as made above will be considered before the application is determined.
