Hi Kathryn

The additional information will be with you on Thursday.

I believe that the BNG matters can be dealt with by condition. The Applicant will be going for off-site credits. Please let me know if this is not the case.

Kind Regards

I am currently on paternity leave. I am monitoring emails and providing responses to keep projects moving, but I am not formally working until 15th June.

Dear Jonathan,

Just touching base regarding the drainage details, I note the deadline has now passed. Would you be able to advise me on when your consultants will be able to provide the additional information? Unfortunately, I can't leave this open ended and am required to update systems with timescales.

Kind regards,

Kathryn Welch

Hi Kathryn

I have passed this into our drainage consultants for review and I have asked them to provide a response by 4th June. However this will depend on their workloads so if this cannot be met I will let you know. There is still a good amount of time left to avoid an extension but I trust that a short extension can be agreed if necessary.

Kind Regards

Dear Jonathan,

I hope you are well.

Following review of the application, we have now received comments from our engineers in relation to drainage matters. Please find these comments attached for your consideration.

In light of the above, we would be grateful if you could provide the requested additional information. Given the limited nature of the details required, we would appreciate a response by **4 June at the latest**. This will hopefully allow the application to be determined within the statutory timescales.

If you have any queries regarding the attached comments, please do not hesitate to get in touch.

Kind regards,

Kathryn Welch
