Good Afternoon

In response to our recent telephone communication, I can confirm that whilst the Toilet Cabins we supply can be moved, in the majority of cases they are installed as permanent fixtures - Examples of such structures we have recently supplied are:

- (A) 1 40ft x 10ft Toilet Block installed for public use at Kensington Palace Gardens.
- (B) 5 x Various size cabins were installed at North Weald Airfield, Essex, for Public use at this countries largest outdoor Saturday Market, attracting up to 10,000 visitors per week.

I hope the above will satisfy the authorities regarding your recent palnning application.

Kind Regards
