Dear Ms Hearsay

re: West Beach Cafe, Ropewalk, Littlehampton

I attach 3 copies of the Plan showing the area specifically set aside and de-lined on the site for Refuse Storage outlined in red plus a Location Plan with the same area also marked in red.

This arrangement has existed for many years. It is essential that the Waste Collection Company has un-restricted access at all times to the bin because the cafe is not always open when they collect. This is particularly so in the winter months when we open Saturdays and Sundays ^{only} but the waste is collected mid-week. Yours sincerely
