Hi Helen,

I received further plans and the outstanding fee from Mr Barker yesterday in relation to the application for West Beach Cafe.

A second letter is being sent out today as he has not supplied all of the documentation I asked for. The response deadline for this information is the 4th May 2011.

I have sent you a copy of the letter we received in the internal post.

I will keep you informed of any further progress on this application.

Many thanks.

Regards

Siobhan.
