Dear Sir

The man at 19 Clarence
avenue Wick Littlehampton
has built a fence which is
taller than should be black
my view and also he has left
a big gap between my fence
and his fence so during I
^{summer} shall be getting a lot of
weeds growing there and
because he wont be able
to see it it will just
be left to grow. I did
mention this problem a few
weeks ago but have not
heard anyone since. I look
forward to hearing from you
Yours sincerely
