Mr Gosnell,

In reference to the above application I can only apologise not getting back to you sooner. I had been awaiting comments from the Councils heritage and listed building specialist to give me an indication on their thoughts in respect of a 1.8m high trellis running the stone wall forward of the principle elevation at south terrace. We need to gage the affect the proposal may have on the setting in the locality.

I shall push them for a response, however, with the Easter holiday period upon us we would like to request an extension to the time until April 30th. to enable us to get up to speed with issuing these decisions.

With this in mind would you be aggregable to an extension of Time until 30th April 2019?

Your written response would be most appreciated.

Please let me take this opportunity to wish you a Happy Easter.

Kind regards
