Dear Sir

I am writing to object to the height and situation of the fence surrounding the above address. In my view it should be built on the inside of the flint wall and not be of such a height.

I understand their need for a fence or some construction to shield them from the lights of oncoming traffic, but this is in extreme. The flint wall is not something that should in my opinion be hidden behind a wooden fence.

Yours sincerely

Dear Sir,

I am writing to object to the fence which has been installed around Old Vicarage Cottage. No one would object to someone erecting a fence per se, but it is outside the of the beautiful old flint wall which runs alongside the road. If they erected the fence inside the wall and made it less high it would be acceptable,

Yours sincerely Diana Hepburn
