Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2010 (as amended)

Retention of 1.83m fence, concrete post, feather edge panels at the front of the property.

Old Vicarage Cottage Lyminster Road Lyminster

Thank you for your internet representation made on 19th July 2013 which has been recorded as " with the comments as follows:

*The property abuts a sharp road bend on the Lyminster Road.
The fence provides a visual and acoustic barrier against traffic noise to the residents.
Importantly it also provides a physical barrier against vehicles unable to negotiate the road bend.*

However, the fence is large, high and has a very significant visual impact within the Lyminster conservation area.

As a local resident I would ask that a condition for approval for the fence is that it is made to blend into its rural context i.e. maintained planting (Roadside) or a surface treatment to obscure the un-contextual (non-rural) vertical feather boarding and break up the visual massing of the fence.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no
