Dear Mr Eastham

Apologies for taking all afternoon, but I now attach the two drawing files numbered as requested, and revised to note the height and show an elevation of the proposed fence, and showing the proposed berm.
I also attach a sheet pointing out the anomalies in the flood map that don't seem to relate to the topography.

And I confirm that it will be acceptable to extend the time for a decision to Friday 24th September 2021

Yours truly
Rodney Brown
