

Please treat as a substitute Road Safety Audit Designers Response

Anita,

Please see attach the designer's response requested that was sent through on 25th October. It seems to be appropriate for what was requested in the Pre-app comments. Please let me know if there is anything else that is required.

Can I also please request when the statutory period of 8 weeks began for the application? I would like to update to client accordingly.

Looking forward to your soonest response.

Warmest regards,

Ross

Good Afternoon,

I'm dealing with the safety audit on the above application. While we appreciate no issues have been raised we still need the designers response to be provided in a spate document using the below format.

RSA problem	RSA recommendation	Design organisation response	Overseeing Organisation response	Agreed RSA action
<i>Original problem from the RSA report inserted here by the Design Organisation.</i>	<i>Original recommendation from the RSA report inserted here by the Design Organisation.</i>	<i>Design Organisation's Response inserted here.</i>	<i>Overseeing Organisation's response inserted here.</i>	<i>Design Organisation's and the Overseeing Organisation's agreed action to the problem inserted here.</i>

Please can you bring this to the attention of Ross Funnell. I have done a formal consultation response requesting the same but hoped that emailing you directly could expedite use getting this signed off for Ross.

Many Thanks
