Hi Keith,

The Planners have not validated the Planning Application for Arundel.

They have asked for;

1. 1 no electronic or 3 no paper copies of revised location plan at a scale of 1:1250 or 1:2500 for rural areas to include the whole site. Further details of what must be included on the plan can be found in the National validation Requirements
2. Please confirm you agree the site address
3. Heritage Statement, with 1no electronic copy or 3no paper copies of a heritage statement

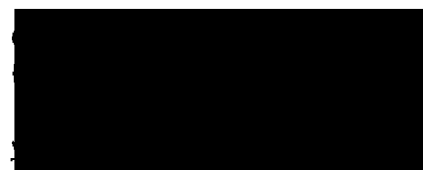

They say they sent this to me on the 19th December 2014, but I have no recollection or receipt of a letter. However, can you deal with this for me please as soon as possible; they have extended the date until 2nd February 2015.

Many thanks,

Dunc
