

Arboricultural Implications for proposed works to trees at 250 Church Lane Lyminster, which is in a Conservation Area.

Trees 1 and 2 – proposed work is to allow power and phone cables safe access to house without being damaged by branches.

Trees 3 and 7 – proposed work is to reduce size of very large trees in garden.

Trees 4,5 and 6 – proposed work is to reduce and thin trees appropriate to their type of fruit.
