Hi Anita

Matthew Kennett had confirmed with the applicant that the information received in the form of photographs would be sufficient to act as a verification report. Tendai would not have been privy to this information as it was agreed before her time in the EH team

I can therefore confirm that Condition 8 – Verification Report can be discharged

Kind regards

Christopher Davis

Dear Mr Folkes,

Our environmental health officer has advised there is no verification report submitted with the application and without it the discharge of the application is likely to be refused. I would therefore appreciate receipt within the next 2 weeks.

Regards
