Please provide a brief description of the building or part of the building you are proposing to demolish

Previous extension to the property, causing issues with access to the rear and damp.
Painted brick in construction with a pitched roof.
Full details and picture are submitted in attached documents.
Planning permission already granted with previous owner but with a poorly designed solution.
Removal of a small section of flint wall at the front of the site to provide vehicular access essential for restoration works at the property and long term giving much needed of road parking.
Full details are provided with the attached paper work.

Why is it necessary to demolish or extend (as applicable) all or part of the building(s) and or structure(s)?

It is necessary to demolish the small previous extension so that a new more in keeping 2 storey extension can be built, away from the building of the new extension it will provide access to the rear of the property for maintenance etc. that currently isn't possible.
The extension will provide a better living space and a upstairs family bathroom rather than the cold damp one in the section to be demolished.
