Hi Zac

Yes withdraw please, I had assumed that they went hand in hand for refusal !

Thanks Dan

Good morning Dan,

Thank you for your email.

You would require a resubmission if you were to submit a scheme with changes. If you wished to send me the plans before making a full resubmission, I may be able to give some informal comments.

Would you like to withdraw the current Listed Building consent application (LY/14/19/L)?

Please do not hesitate to contact me with any further enquiries you may have.

Kind regards,

Zac

Hi Zac

I hope you are well and I have left you a voice mail this morning,

Our planning application was refused based on 2 points, on that basis if we remove the adding of the driveway completely and now we know the access situation we are able to

formulate a more detailed plan for the restoration of the outbuilding to the front of the property.

On this basis what would be our next step ? do we need to fully resubmit the application or is there other routes available and what would be the associated costs ?

Thanks and all the best Dan
