

LYMINSTER & CROSSBUSH
PARISH COUNCIL

Dear Mr. Roberts.

2/11/11

Planning Application LY/19/11

Lyminster and Crossbush Parish Council recently held a meeting where the above Planning application was discussed.

There were no concerns to the council on the application to alter the existing planning on the building work however the balcony being inserted may cause offence to the occupants living opposite in Calceato Cottage.

The Council would however like it recorded of their concerns re the site plan showing virtually all of the front part of the plot as off road parking. We would like this adhered to as parking and not half of it laid down to garden thus forcing more on-road parking which is already a problem at Crossbush.

Yours sincerely
