F.T.A.O Arun District Council Validation Team,

Further to your email letter of 29th October please find attached the following amended drawings in order to validate our application.

Confirmation Required: The design & access statement claims that Lyminster House was split into 3 different houses. Please confirm whether it is still 3 houses and if so you are required to amend the certificate in the application form to include those in the additional houses.

Savills Response – The property was formerly a single dwelling that was converted into 2 dwellings some years ago (Lyminster House – Our present Application and Old Lyminster House – separate Dwelling – does not form part of our application).

Block Plan: You are required to submit a block plan which includes all dimensions. Please submit accordingly;

Savills Response - Please find attached an updated block plan which now includes dimensions

Elevations: The elevations of the door do not measure to the stated scale of 1:100. Please review and amend accordingly.

Savills Response – Please find attached a set of updated existing and proposed door elevations that now correctly states 1:10 Scale (not 1:100 which was in error).

Any issues in now proceeding to validate the application then please do not hesitate to get in touch,

Kind regards,

Ewan Stoddart BA (Hons) Dip Arch, RIBA
