Subject: LY/21/18/WS - East of Lyminster Village & Between Toddington Nurseries & A284 Lyminster Road, Lyminster, Littlehampton
Importance: High

Having reviewed the application documentation and having particular interest in the Noise and Vibration Assessment produced by WSP [November 2018] entitled LYMINSTER BYPASS [Project No. 70048270] and the Lighting Layout / Plans I have **no objections** to the plans as submitted

The guidance, methodology, and mitigation measures as set out within the aforementioned Acoustics Report should be followed and any deviation to the method statement agreed in writing with the Planning Authorities prior to any changes taking place that could affect the amenity of any nearby noise sensitive premises / receptors

Kind regards
