

Planning Officer: Amber Willard

Planning Application Ref: LY/22/17/TC

Location: Tremeadow Cottage, 255 Church Lane, Lyminster

Description of works: Fell 1 No Elm & 1 No Horse Chestnut

Applicants Reasons: Unsightly and dead trees that need to be removed for safety reasons.

Comments On Application:

- Two small trees that are positioned in the soil bank outside this property adjacent to the main road.
- Both tree are dead and should be removed for safety reasons.

Conclusions:

- The works that have been applied for are acceptable and whilst we could seek replacement plantings it would be my recommendation that we waive this right as there are other trees that can develop at this location.

Recommendations:

- I raise **NO OBJECTION** to the works as described in this notification.
