Technical Support Unit on extn. 37711
6th November 2017

Dear Mr Mark Folkes

Development:

This application follows the Council's granting of planning permission for the redevelopment of the site with a replacement building, comprising 4 No. residential units on 25th August 2017 under application reference LY/9/17/PL.

This new planning application seeks permission for relatively minor revisions to this existing consent, most notably in that it will allow the creation of a further flat within the roofspace of the previously permitted building. The application therefore now proposes 5 no. residential units.

Location:

Roseland The Causeway ARUNDEL

Thank you for your application submitted via the internet on 31st October 2017. It is being dealt with by the Technical Support Unit and has been allocated the reference number **LY/25/17/PL**.

We will contact you shortly with further details.

This letter does not confirm validity of the application/documentation submitted.

Yours sincerely

Miss N Spencer
Technical Support Unit Officer
