Dear Anita

We will agree to the extension of time and note your comments below.

Is there any other information you require from us in order that the application can now reach its conclusion.

Would you be kind enough to indicate your recommendation at this stage, we note there are NO objections on line.

Many thanks

John Brown

Dear Mr Brown,

I acknowledge receipt of the additional information and apologise that it was not added to the application sooner. The additional information has now been scanned against the application and Highways England have been re-consulted. I would be grateful if you would agree to a 2 week extension of time until 31-01-2018 to allow for their response. I appreciate that this is longer than you previously agreed to, but the Highways Agency do have a 21 day timescale for response and the consultation was sent at the beginning of this week.

Regards

Anita Gardner

Dear Ms Gardner

I have copied below our response to Highways England (sent to D Easton) on the 12th December, 2017., together with attachments.

Dear Mr Easton,

In response to Kevin Browns (Highways England Companies Limited) e-mail to you dated 14th August, 2017, Highway England reference 78585

I would respond to the points raised there in as follows –

Wheel cleaning

Reference Construction phase plan, item 2.10 updated to clarify that wheel washing is provided and similarly The construction management plan, drawing number 2.02, rev A has been updated to state that wheel washing facilities are provided.

Times

Pre-construction Information , item 7.3 has been updated to accord with the Construction Management Plan

Vehicle manoeuvring

Construction management plan, item 2.3 updated to show the HGVs continuing to the A27 / The Causeway roundabout to make a U-turn before travelling south and entering the site from the RIGHT.

I trust this answers all of the items raised by Highways England Companies Limited, but should you require any further information please do not hesitate to contact me.

With regards to an extension of time we would agree to extend the date a further 2 weeks as we feel this is a reasonable considering our timely response to Highways England (some 4 weeks ago).

I am sure you will appreciate that my client would not be happy to have the date moved a further month from now.

I await your response.

Dear Mr Folkes,

Unfortunately I have been unwell only returning to the office today. Having looked through consultation responses I would suggest that you consider the attached comments from Highways England and provide the requested additional information so that I can then re-consult Highways England . To facilitate this I would be

grateful if you would agree to a one month extension of time on the application until 08-02-2018 to allow for receipt of information and re-consultation.

Regards

Anita Gardner
