Subject: FW: Works confirmation

Hello Anita,

I have pleasure in forwarding on an email from the land owner, John Langmead, confirming that the required access works (a condition from the previous planning application) will commence on the entrance to the Crossbush Farm Shop Site and Calceto Lane on the 7th March 2018. I felt this would be relevant in terms of the Highways report that will form part of our own application.

Very best wishes, Samantha Walker
