Please can these EOTs until 14-04-2017 be recorded?

Thanks

Anita

Dear Mrs Gardner,

That extension time sounds fine.

We are very happy with a dark blue lining and stone surround. Do you need specific samples?

Kind regards

John

Dear Mr Langmead,

I apologise that it has taken so long to provide the consultation response and thank you for your co-operation.

Shall we initially agree to an extension of time until 14-04-2017 to allow time for receipt of additional information, consideration of an amended pool shape, processing and re-consultation. I would agree with you that if the pool area has to be fenced this would be visually more intrusive than a rectangular pool.

In addition I can advise that Dr Wightman would prefer to see a dark blue tile lining (he may have specific suggestions if necessary) and a stone edge as per the photograph previously sent to you. These items can be conditioned on any approval and left for consideration at a later stage if you prefer. It is up to you.

Regards

Anita Gardner

Dear Mrs Gardner

Yes I am happy that you have an extension of time, although a little disappointed that these issue could not have been raised within the allotted consultation period.

I would be happy to supply colour and material samples for in and around the pool.

I do have concerns regarding the curved ends to the pool as this would prevent me fitting a child safe cover, as we have three young children safety is of primary importance to me.

If we are unable to fit a safety cover we would have to fence the pool area, resulting in a greater visual impact on the listed building.

I will send over a sample of the colours we have selected to best complement the building for your approval, and hope to continue our discussion as to pool shape as soon as possible, hopefully within the extended time period. Please could you give me an indication of how long the extension period will be?

Many thanks
John

Dear Mr Langmead,

I have discussed your applications with Dr Wightman. The addition of a pool in the position indicated is likely to be supported however he has suggested that you may wish to curve the ends of the pool so that it better reflects the shape of an ornamental pond which would be more in keeping with the setting of the listed building. See the photo below.

I would appreciate your comments/ receipt of an amended site plan as soon as possible. If the plans are amended I will need your agreement to an extension of time to allow time for processing of the amended plan. I would also advise that given the lack of detail submitted with the application it is likely the paved edges, tile colour and make for the pool lining are likely to be conditioned.

I trust that you appreciate that these comments are made on a without prejudice basis.

Regards
Anita
