Dear Mrs Gardner

Following Dr Wightman's comments on the pool application at Calceto farmhouse LY/2/17/HH and LY/3/17/L

I am please to confirm the building materials for the proposed build.

For the paving we will use premium sandstone from global stone in the York green colour. This should be very similar to the existing paving and fit with the house.

Please see link and photo below

<http://www.globalstonepaving.co.uk/sandstone-paving.html>

The pool will be finished in the RAL colour RAL5021 as suggested by Dr Wightman

Please find below a link and a photo of the colour.

If there is any more information you need please do not hesitate to phone or email

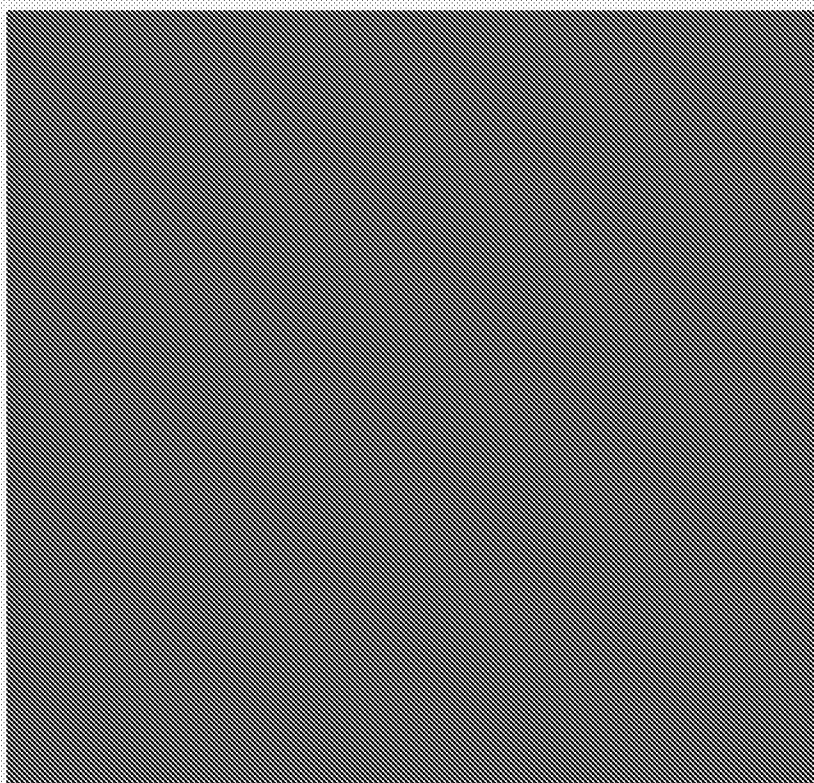

Many thanks

John
