For the attention of Nicola Moore.

Dear Nicola,

Please find attached further information as requested for this project to be considered.

For clarity, the following points may be of assistance.

- Lullyng Cottage is a detached property with no direct neighbours.
- The south is bordered by a field and the north bordered by the rear gardens of the houses in The Paddock.
- Opposite the property is a private road, Orchard Lane, which has 5 dwellings along the lane.
- Sketch is not to scale but indicates where the tree is situated in the front garden/driveway. It is almost directly opposite Orchard Lane.
- On the other diagrams the yellow and red lines around the tree indicate the intended prune.
- 2 metres is the intended height, and the spread will be about 3 metres.
- There are some additional comments contained in the attached drawings.

If there is any other information required, then please do not hesitate to contact me.

Yours sincerely

Paul
