

SUSSEX ARBOR PRO LIMITED - 59 WICK STREET, LITTLEHAMPTON, WEST SUSSEX, BN17 7JN

I have been asked to look at a maple and apple tree that are growing in a slim strip of land between the driveways of number 3 and 4. Both trees have been cut back in the past and have grown out as to cause a nuisance to parking vehicles. Minor works planned to keep the limbs back. 1m reduction on lateral growth only. No need as yet to reduce the height.
