Dear sir,

This is to inform you that I have been advised to remove two
Goat willow trees from against the foundations of my buildings in
the above conservation area, one of which is a Listed building.

Mr Everson has inspected the trees and has said that they are
not worthy of saving.

I will now get estimates for their removal before growth starts
again and birds begin to nest.

Yours faithfully,

A solid black rectangular box redacting the signature of Mrs J.M. Redman.
