Dear Mr Murray,

We do have concerns regarding the above application which appears camped and out of character, but I would appreciate of the following to further assess the impact of the proposal.

- We need an accurate streetscene drawing – the one submitted does not show accurate distances between the properties
- the elevation drawing is not sufficient to demonstrate it's a high quality design

I have consulted County Highways and their comments are still awaited, but you may wish to consider demonstrating that there is adequate space to turn a vehicle before exiting the site or this could form a reason for refusal.

Accordingly, I would appreciate your agreement to a further extension of time on the application until 29-06-2018 to allow for receipt of this further information and processing

Regards

Anita Gardner
