Subject: RE: Planning Consultation on: LY/7/20/PL

App No: LY/7/20/PL

Address: Broomhurst Farm Lyminster Road Lyminster BN17 7QW

Proposal: New access, wall and gates (resubmission following BN17 7QQ)

Biodiversity

Unfortunately the Ecology Partnership Letter (08.04.2020) which has been submitted with the application only looks at the impact of proposed works on surrounding protected sites and does not make any reference to protected species which may be present on site and the impact the works would have on those species.

Prior to determination we require that an extended phase one habitat survey is undertaken on the site to determine if there is potential for protected species. If there is potential for protected species then further surveys would be required. These surveys plus any mitigation strategies required will need to be submitted as part of the planning application prior to determination.

Kind Regards

Liz
