Dear Andrew

Re: 2010 Contract Winemaking

In October we received from you the following fruit:

White varieties: 125 kg

These have been fermented and will make ca. 75L white wine, equivalent to 100 bottles, for which you will pay £2.65 + VAT/bottle. This wine will be ready from May 2011.

Pinot Noir	450 kg
Triomphe	84 kg

These have been fermented and will make ca. 300L blush sparkling wine, equivalent to 400 bottles, for which you will pay £5.70 + VAT/bottle. This wine will be ready from November 2012.

Yours sincerely

Peter Morgan
