3rd May 2019

Dear Sir/Madam

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

Retrospective application for advert 1 - lettering on north side of building, advert 2 - lettering on west side of building, advert 3 - 2 no company logos on west side of building. All non-illuminated

The Brewhouse Project (Former Crossbush Farm Shop) Lyminster Road Lyminster

Thank you for your internet representation made on 2nd May 2019 which has been recorded as '**support**' with the comments as follows:

The proposed (current) signage offers a far more subtle approach than the McDonalds, BP garage and Hotel over the road. It seems unreasonable to suggest that the black and white signage is more impeaching than the 24hr light polluting signs of the neighboring businesses.

As a local resident it's encouraging to see local businesses making efforts to expand and succeed, as this creates better local economy and infrastructure with more visitors being encouraged to the Arundel area. Moreover this business offers space for local families and communities to meet and interact. By dismissing the application for the signage, this will reduce the effectiveness of the business to create a solid customer base and increase the risk of the business failing (as have many businesses in this location before), therefore having a wider negative impact on our local community.

I hope that the application is granted and we can see a long term thriving business and community space succeed for Arundel and it's surrounding area.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal

information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
