Dear Sir/Madam

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

The Brewhouse Project (Former Crossbush Farm Shop) Lyminster Road Lyminster

Thank you for your internet representation made on 6th May 2019 which has been recorded as '**support**' with the comments as follows:

I wish to give my strongest support for this application. Everything about this exciting and innovative business is a positive benefit for the local community. The signage is entirely in keeping with the location and scale of the building. No residential properties are in view at all. To one side (view of long side of the building), lie fields and beyond, the A27 dual carriageway. The front of the building faces onto an other road, behind which there is dense tree cover. The idea that the signage is not in keeping with the local area does not stand up at all. No previous business has managed to survive in this location and it has remained empty for the last couple of years. It now attracts a wide range of customers and their families, of all ages, drawn by the high quality offer and tasteful surroundings. The style and size of the signage are entirely suitable, and necessary in order to have the impact that such a large building requires. The graphics and lettering are plain white and there is no neon lighting in sight. I wholeheartedly support the application. This is a unique business in this entire area, and believe that it needs to be supported and encouraged.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
