The Brewhouse Project (Former Crossbush Farm Shop) Lyminster Road Lyminster

Thank you for your internet representation made on 6th May 2019 which has been recorded as '**support**' with the comments as follows:

The Brewhouse Project is a great independent business that will no doubt attract many people from miles around. We need to be supporting local businesses for the many benefits that they bring to the area - both in employment and a positive environmental influence. With the restaurant being located near to the A27, having adequate signage which is easily spotted by drivers is paramount in the success of introducing new business. From an aesthetic perspective, the clean style of the building and signage, is in my opinion far more befitting to the local area than the Macdonald's and Comfort Inn chain that are located across the road. If anything, these establishments are more of an eyesore on the local area than the signage in place for the Brewhouse Project. Lastly, the environmental impact of removing the existing signage and having it disposed of will be significant in itself. It is for all of these reasons above that I fully support the Brewhouse Project and their existing signage.
