Mrs A Gardner

7th May 2019

Dear Sir/Madam

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

Retrospective application for advert 1 - lettering on north side of building, advert 2 - lettering on west side of building, advert 3 - 2 no company logos on west side of building. All non-illuminated

The Brewhouse Project (Former Crossbush Farm Shop) Lyminster Road Lyminster

Thank you for your internet representation made on 6th May 2019 which has been recorded as '**support**' with the comments as follows:

Having a quality brewery in an area is a huge bonus, especially with the revival and surge in craft brewing and the increased exposure for an area off the back of that. For further reference to that point, do some research into Northern Monk brewery in Leeds and the exposure and good that yard been garnered for an underprivileged area. Given Arundel is a small town, increased exposure and a modern centre such as this would be welcomed with open arms by many other towns in your situation. The lettering/signs on the building are a big part of the identity and image of the brewery and having a recognisable insignia is key in the beer game!

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
