Dear Sir/Madam

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

Retrospective application for advert 1 - lettering on north side of building, advert 2 - lettering on west side of building, advert 3 - 2 no company logos on west side of building. All non-illuminated

The Brewhouse Project (Former Crossbush Farm Shop) Lyminster Road Lyminster

Thank you for your internet representation made on 9th May 2019 which has been recorded as '**support**' with the comments as follows:

The concept, makeover, styling, fit out and signage at the Brewhouse, Crossbush, is the best thing to have happened to the area and the old Farm Shop. The team behind the new venture should be given an award, not reprimanded.

Yet again the voice of one or two complainants, could potentially cause substation financial damage to a start up business at a time when they least need it.....

I really hope that common sense prevails and that all of the words of support are listened to over and above the whinge of the few people that have too much time on their hands to write an complain about some signage. Funnily enough a business has to market itself and I cannot think of a better example in the area, than that of the Brewhouse. Please let common sense prevail.....

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
