Subject: Please remove my 'objection' status

Dear Anita,

Planning Ref: LY/8/19/A

My ref: 22589 (there may be some letters before this but I can't read them)

I am writing to request that you remove my status of 'objection' to the above Ref (The Brewhouse Project).

I mistakenly registered an objection whilst writing supportive comments. It wasn't immediately clear to me on the site that I was choosing to 'object' to Arun's proposal to have the signage removed, or 'objecting' to the signage itself. I assumed the former but mistakenly registered the latter.

To be clear, I support The Brewhouse Project's signage and wish it to stay. It is, in my view, excellent.

Kind regards.

Andrew
