Dear Ms Gardner

I fully understand about a high workload; mine is similar at the moment!

I am sure my client will understand, and I will let him know that we shall expect a determination around the 26th November.

Many thanks

Dear Mr Way,

I refer to your telephone message and apologise for the delay in reply and in dealing with your application.

I have an extremely high case load and most of it is urgent. I am working on my applications in date order and unfortunately yours is not as old the others I have been prioritising. I would be grateful if you would agree to an extension of time on the application until 26-11-2018 to allow me the opportunity to consider your proposal and discuss with other officers prior to writing my report.

Regards

Anita Gardner
