For the attention of Miss K Rawlins

Dear Miss Rawlins,

I refer to the above application and have to advise you that some minor amendments have been made to the proposal. These consist of a revised front porch design and a change to the fenestration to the garden room, rear elevation. The lead detailing is also omitted from the front elevation windows.

My revised drawing number C02B is attached and if it is not too late, may I please ask you to include this in the application documents and discard drawing number C02A.

Many thanks.

Kind regards

Glenn Curran
