Dear Ms Rawlins,

Thank you for your email and my drawing C02H is attached, as requested.

As I had not heard from you I had assumed that there was no objection to the proposed minor change and, to avoid delaying the project, the work has recently been completed in accordance with the revised drawing.

Kind regards

Glenn Curran

Dear Mr Curran,

I refer to your email of 8 May, regarding application M/103/11. My apologies for the delay in responding to you on this matter.

I would be grateful if you could forward a copy of drawing C02H directly for my attention, in order to advise whether the proposed change to the balustrade may be dealt with as a non-material amendment.

Kind regards,
