Dear Ms Malik,

I refer to the above mentioned planning application and your letter received just before Christmas.

You ask about the connection to the mains foul water sewer -- this had already been confirmed on the submitted Validation Checklist -- copy attached, however, to clarify the position I attach a copy of a prepared Drainage Statement. The property is already connected to the public sewer system and new facilities will continue to utilise this facility.

I trust that this is in order and that the application can be processed from the originally submitted date rather than delay the application. Please contact me if you have any queries.

Kind regards,
