Hi Charlotte

Re: Non Material Amendment

Sorry we missed your previous email about the scaled drawings. Have been managing on my phone whilst away and I guess I didn't spot that bit.

The architect has sent me these, so hopefully these are all the drawings you require..

Let me know if more info is needed.

The approved plan numbers are;

PL01

PL04

PL06

The new drawings showing the new windows are;

PL01 rev A

PL04 rev A

PL06 rev A

Many thanks for your help with this..

Abi

Dear Mrs Hudlass-Galley,

Thank you for your email.

An email was sent to you on the 20th August requesting some scaled drawings of the amendments you wish to make. Unfortunately we are unable to process the application until these have been checked by a Planning Officer.

Could you please forward these on to me as soon as possible.

Many Thanks

Charlotte
