Dear Mr Caplin,

Looking back I see that Ms Cheng agreed on 13/09/21 to provide amended plans reflecting what I had requested. You then asked about the side window and I replied 14/09 to say *"Thanks for your email and photos. I understand what you are saying however, the proposed window is at a greater height than the existing one in the photo and so represents a brand new impact."* To clarify, in that response, I was maintaining my position that I had a concern with the side window and wanted it amended.

Simon

Hi Simon,

We were just wondering if you have had the opportunity to consider the extra photographs we forwarded to you in relation to the 'second floor secondary window on the west flank' As we would like to instruct the designers to make all the required changes you previously suggested and get these to you ASAP.

Kind regards

Clive & Samantha Caplin
