Afternoon Sian

Thank you for your help yesterday.

Further to Mr Crowther's letter of 9 January I now attach an up-to-date location plan, so the scale of 1:1250, which also includes the pavement area to the front of our property.

During our conversation you confirmed that you would draw the dimension of 3.8m on the plan to scale and amend this for us.

We discussed the splay plan, and the fact that the drop kerb application is literally a couple of metres from our existing drop kerb entrance, and you agreed that we did not need to submit a splay plan for this application.

I hope that you now have all you need for our application and we look forward to hearing from you in due course.

Regards,

[REDACTED]
