FOR THE ATTENTION OF THE PLANNING DEPARTMENT REGARDING THE NEW HOUSE BEING BUILT
ON 5 CENTRAL DRIVE ELMER M/114/18/PL

FROM BRIAN & BRENDA SPONG OWNERS OF 7 CENTRAL DRIVE ELMER PO22 7TT

MY CONCERNS FOR THE PROPOSED NEW HOUSE ARE AS FOLLOWS

OUR HOUSE HAS ON THE EAST SIDE UNRIVALLED VIEWS OF THE SEA FROM THE BEDROOM AND THE
BATHROOM AND THIS HAS BEEN SO SINCE THE HOUSE WAS BUILT 60 YEARS AGO!! THE PLANS
SUBMITTED WOULD SHUT OFF THE VIEWS AND LIGHT CONSIDERABLY AND ALSO BEING CLEAR
GLASS INVADE OUR PRIVACY FROM THE WINDOWS BEING PROPOSED ON THE WEST SIDE OF THE
PROPOSED NEW BUILDING NEXT DOOR

ALSO MY CONCERNS ABOUT OUR BOUNDARY WHERE THE CURRENT GARAGE IS BUILT INTO IT AND
WHEN REMOVED WOULD CAUSE THE WALL REMAINING TO BE VERY PRECARIOUS AS WE HAVE A
BACKDOOR ENTRANCE WITH ARCHWAY THAT COULD COLLAPSE!! THIS NEEDS TO BE ADDRESSED
AND SORTED OUT TO BOTH PARTIES SATISFACTION. ALSO THE SATELITE DISH WOULD BE BLOCKED
BY THE EAST SIDE.

IF YOU CAN VOICE MY OBJECTIONS TO THE PLANNING COMMITTEE .

YOURS SINCERELY

BRIAN& BRENDA SPONG
