Dear Sir Madam

Please can you supplement the drawings supporting the above application with DPA-01 and DPA-02 attached, both rev01 300818, a typo has been spotted and corrected since submitting the earlier messages to you, thank you.

I would welcome confirmation of receipt of this email which supersedes previous messages concerning this application, as I do not appear to have received any emails from Arun District Council apart from the acknowledgement receipt via the planning portal, thank you.

I spoke with one of your team on Friday and understand that you are currently reviewing applications submitted at the end of July via the planning portal - would it be at all helpful to hand deliver a paper copy instead of submitting electronically?

with very best regards

Ella
